WHAT ARE THE US DRESSAGE FINALS?

What are the US Dressage Finals Presented by Adequan and USDF Dressage in the Bluegrass?

Dressage competitors from across the country will be stepping onto the national stage at the US Dressage Finals. Top qualifiers from each USDF region will be competing in a national head-to-head championship that showcases competitors in adult amateur and open divisions, at Training Level through Grand Prix. The US Dressage Finals is a Level Five Competition, the highest level of competition under United States Equestrian Federation rules. At least \$50,000 in prize money, great prizes, and national bragging rights will be up for grabs. USDF Dressage in the Bluegrass offers non-championship classes open to all competitors, including those who are not competing in US Dressage Finals classes.

Spectators, guests, and competitors alike will enjoy shopping the trade fair held in the Alltech Arena, and visiting Kentucky Horse Park attractions like the Museum of the Horse, the Man O' War memorial, and the USDF and USEF headquarters.

The event is organized and hosted by the United States Dressage Federation with support from the United States Equestrian Federation.

WELCOME

from USDF, USEF, Adequan, and the Kentucky Horse Park

On behalf of the USDF, I would like to extend a warm welcome to the inaugural US Dressage Finals presented by Adequan. After nearly two decades since its inception, the US Dressage Finals is now a reality!

For the first time, top competitors in both the adult amateur and open divisions from the nine GAIG/USDF Regional Championships have the opportunity to compete and showcase their talents on a national level. We are sure you will enjoy the beautiful setting of the Kentucky Horse Park, the warm Kentucky hospitality and the wonderful Alltech arena.

This is the first major dressage competition where adult amateurs can compete head-to-head in the national spotlight. We are looking forward to the continued growth and development of the US Dressage Finals and our ability to showcase adult amateurs in dressage.

I would like to thank our generous sponsors, patrons, volunteers and dedicated staff who have contributed to making this event possible.

Just to be here as a competitor is an accomplishment as the qualifying process took hard work and dedication. Congratulations to all of the competitors for your success at the GAIG/USDF Regional Championships and I wish you the best of luck and best of times this weekend!

Thank you,

George Williams
President
United States Dressage Federation

On behalf of the United States Equestrian Federation, welcome to the Kentucky Horse Park and a fabulous weekend of competition featuring the US Dressage Finals presented by Adequan.

The inaugural US Dressage Finals presented by Adequan offers the national, head-to-head competition for which our country has long awaited. This unique championship will showcase our country's adult amateur and open division from Training Level through Grand Prix.

The United States Equestrian Federation is proud to support this important event and wishes the competitors, trainers, horse owners, and all those involved the best of luck.

Thank you,

Chrystine J. Tauler
President
United States Equestrian Federation

Welcome to the first US Dressage Finals presented by Adequan. We are excited to be part of this event. Luitpold Animal Health, the makers of Adequan i.m. (Polysulfated glycosaminoglycan), has supported the United States Dressage Federation and their members for over eighty years, including the year-end awards. This event makes sense for our business, as many competitors are loyal supporters of our brand, Adequan i.m. (Polysulfated glycosaminoglycan).

We look forward to seeing everyone and wish each of you much success.

Allyn Mann
Director
Luitpold Pharmaceuticals, Inc.

We are indeed honored to welcome the inaugural US Dressage Finals to the Kentucky Horse Park.

For all of you who are involved in this historic event, we know that you will leave knowing that you have served the sport of dressage well and will depart with a real sense of pride for what you have accomplished. The Kentucky Horse Park has been the site for some of the most prestigious equestrian competitions in North America, including the 2010 World Equestrian Games. We are so very pleased to now add the US Dressage Finals to the impressive list of great competitions at the park.

Whether you have been here before or are experiencing the park for the first time, I hope you will explore our 1200 acres, all dedicated to mankind's relationship with the horse. There is so much to see and do, so please take time to discover some of the many treasures that the park has to offer.

So have a great time, savor every moment, and please accept our best wishes for safe, fair and vigorous competition.

Sincerely,

John Nicholson
Executive Director

LIBERTY EXHIBITION

Saturday night, US Dressage Finals attendees will be treated to a liberty exhibition with world renowned liberty and trick horse trainer Kim Barteau of KYB Dressage. He will be joined by GP Boater a Friesian stallion owned by Ginna Frantz of Grand Prix Equestrian.

Kim and Boater will perform one of their musical performances at liberty and follow it with some information about liberty training and what the training process is like for any liberty horse.

GP Boater is a thirteen year old Friesian stallion who has performed exhibitions all across the U.S. He started his career as a dressage competition horse but has proven his real value in the entertainment field. Comfortable in front of large crowds, Boater is a charming first string performer in the GPE KYB Equine Theater Troupe. He is trained and presented by Kim Barteau.

Kim Barteau of KYB Dressage is an FEI trainer with a unique background. Kim was the head trainer at the Arabian Nights Dinner Theater in Orlando, Florida, for over ten years! During that time he trained horses for and was a feature performer in the popular nightly show. During his tenure there he trained liberty and trick horses, romanteams and chariot horses, and has taught horses how to do everything from kicking a beach ball to spinning a rope with their mouth.

He has performed in many venues across the United States over the last twenty years including Madison Square Gardens, the TODAY Show, Equitana, Equine Affaire, and PVDA just to name a few. Kim and Boater are featured in the charming KYB GPE Equine Holiday Production of The Spirit of the Horse presented in the Alltech Arena following Thanksgiving, Friday and Saturday, November 29–30. This holiday equine extravaganza is a delightful story on horseback that the whole family will enjoy!

SPECTATORS GUIDE TO DRESSAGE

Dressage horses can be of any breed, sex, age, color or size. Exceptional basic paces – walk, trot and canter – together with a good temperament and sound conformation are what riders look for in a potential dressage horse. The horses should have athletic paces, be light on its feet and have the scope to take short, springy strides as well as free, long and swinging ones.

Dressage is a sport where competitors pursue the unobtainable 100%; in order to even come close, meticulous attention to detail, in addition to ability, is necessary. Marks may be out of reach because of a lack of talent, experience, or technique, but they should not be thrown away for lack of preparation.

There are different levels of tests in “International” dressage competition. In order of difficulty, they are, the Young Rider Tests, the Prix St. Georges, Intermediare I, Intermediare II and Grand Prix. Within the Grand Prix level are the Grand Prix, the Grand Prix Special, and the Grand Prix Freestyle – a musical ride choreographed by the rider. Although certain movements must be performed and each performance has a time limit, the competitor can create a program which suits his/her horse and is especially pleasing to the eye.

It is these International tests where we see the most spectacular movements: Piaffe, the highly collected, elevated trot in place; Passage, the suspended trot in slow-motion; Pirouette, a rhythmic turning in place at the walk and canter; Half Pass, a forward and sideways movement at the trot or canter where the horse crosses his legs; Flying Change, a skipping type movement at the canter where the horse changes lead every fourth, third, second, and finally at every stride.

It is important to understand that none of these movements are tricks; all are natural and performed by the horse at play. With careful training, the horse learns to duplicate these natural movements, willingly, on command, and with grace, while accommodating the weight of the rider. The trust and harmony which makes this possible are a tribute to the rider's ability and the horse's generosity.

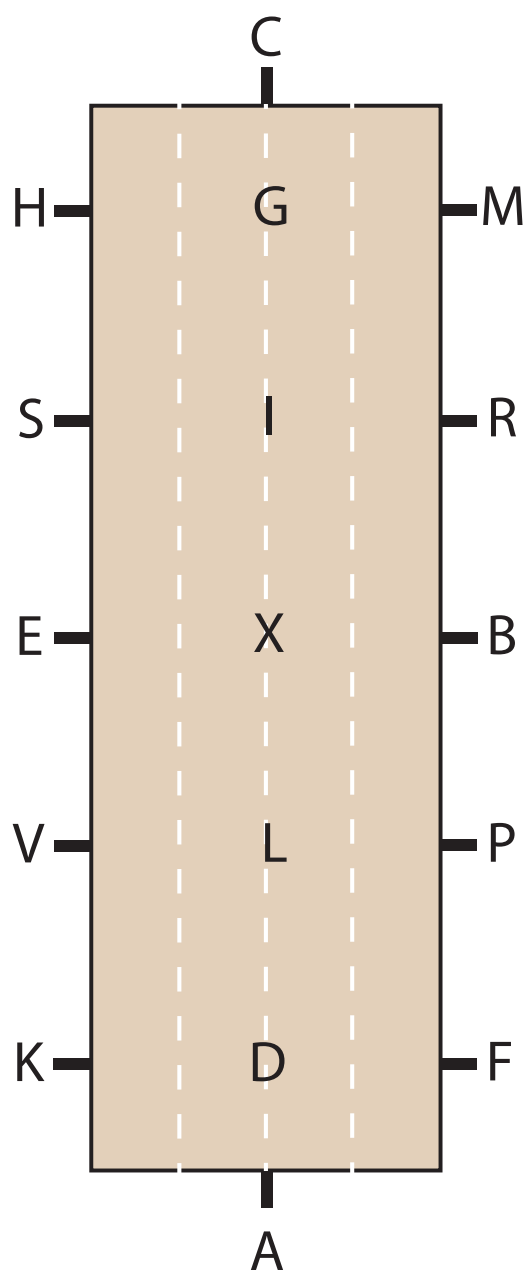

One to five judges, positioned at specific locations around the arena, evaluate the performance from their different perspectives. Scores are awarded on a scale of zero (not executed) to 10 (excellent) for each movement, with some particularly difficult movements earning scores that are multiplied by two.

Spectators tend to base their judgments on general impressions – on how pleasing the performance was as a whole. The judges also take this into consideration when awarding the “collective marks” for paces, impulsion, submission and the rider's position. Scores are tallied and divided by the total possible, and the final score given as a percentage.

These final percentages are somewhat misleading; the winning score may only be a 63%. But keep in mind that the marks are given movement by movement, and are judged against a standard of absolute perfection.

The attention to detail starts with good horsemanship. Quality veterinary care, proper feeding and an ongoing training program are the foundation. Correctly fitted equipment and good grooming are also necessary ingredients. The horse and rider which is turned out immaculately, with everything gleaming and in place, make it hard for the judge not to give the benefit of the doubt to the combination which pleases his eye. Dressage is a performance, and, as such, competitors strive to look as beautiful as nature will allow.

Competitive dressage takes place in a 20x60 meter arena, with 12 lettered markers placed at specific points along the rail. Here, horse and rider perform a designated test, a series of movements for which the arena markers serve as reference points.

Spectator Pointers

Riding a dressage test requires a great deal of concentration on the part of the horse and rider. The following guidelines will help ensure that all riders have the opportunity to achieve their very best performance.

- Avoid running, shouting, or sudden movements while a horse is in the ring.
- Applaud only after the rider has completed the final salute.
- You may speak in a normal tone, but do not shout or wave.
- Spectators must stay back from the white fences surrounding the competition area.

It is our wish that you enjoy the competition and our hope that this information gives you some understanding of the dedication needed and the intensive work of horse and rider in providing these performances.

(USEF DR127.6) (NOTE: This applies throughout the entire competition, even after a horse has completed its championship classes.)
10. In the event of a tie (equality of total points) for any placing through tenth place in US Dressage Finals classes, the total collective marks (after coefficients have been applied) will determine the order of placing among tied competitors. In cases where the total collective marks (after coefficients have been applied) are equal, competitors will remain tied. In the case of a tie (equality of total points and collective marks after coefficients have been applied) for a placing designated to receive prize money, the prize money designated for all placings involved in the tie will be combined and divided equally between the tied competitors.
11. Hors de Concours entries are not permitted in USEF/USDF championship classes. (USEF DR119.5) Horses competing Hors de Concours in a non-championship class at the competition, are no longer eligible for further prizes, awards or placings at that competition.
12. In a US Dressage Finals class, the horse/rider combination must obtain the necessary minimum percentage score to be named champion or reserve champion. (USEF DR123.4) If the highest placed horse/rider combination receives less than the minimum percentage, no Championship awards or prize money will be issued, however an awards ceremony will be held for the entire class.
13. In USEF/USDF championship classes, a steward will be appointed to check the saddlery, bits and spurs, on both sides of each horse immediately after it has completed its test and has left the arena. Any discrepancy to the saddlery rules will result in immediate elimination. (USEF DR126.1.i.1)
14. 1TDs must investigate incidents of non-compliance and report violations to USEF.
15. A tentative schedule for the awards ceremonies will be printed in the Event Program.
16. The confirmed schedule for the awards ceremonies will be posted in the show office by noon on the day prior to the beginning of the competition. If the posted awards schedule is changed, all affected competitors will be notified.
17. Riders placing in US Dressage Finals classes must be present, mounted and in full riding attire for awards ceremonies. Failure, without prior permission of the competition manager, to be present and properly attired, will eliminate the official score and placing and the next highest score will move up in placing. For safety reasons competitors may decline to participate in the victory round.

USDF STATEMENT OF PRINCIPLE

USDF is committed to good sportsmanship and developing a high standard of knowledge and skill in dressage. USDF members are encouraged to:

1. Conduct themselves in an ethical, fair and sportsmanlike manner, and take responsibility for their actions while training and competing.
2. Treat competitors, instructors, competition management, officials and employees with respect and dignity.
3. Respect the integrity and judgment of equine caregivers and horse owners.
4. Observe and respect the rules, regulations and authority of the sports organizations that sanction each activity and competition.
5. Promote the spirit as well as the letter of the rules.
6. Protect the welfare of the horse during competition and in training.
7. Demonstrate proper preparation, training and fitness of horse and rider for the level at which they are competing.
8. Observe the highest standard of nutrition, healthcare and safety in the care of horses.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of 125 independent organizations throughout the United States with a membership in excess of 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

2014 Great American Insurance Group/USDF Regional Dressage Championships Rules

The Regional Championship program rules published herein are effective October 1, 2013. The program rules and qualifying criteria published herein are subject to additions or revisions.

While every effort has been taken to avoid mistakes in this publication, the United States Dressage Federation Inc. assumes no liability to anyone for errors or omissions. USEF rules supersede all other rules when qualifying for this championship program.

USEF rules are subject to change at any time. Changes and corrections subsequent to this publication are published in the USDF Connection and on the USDF website at www.usdf.org.

Refer to the United States Equestrian Federation's website at www.usef.org for official rule changes and the most up-to-date version of their rule book.

A single Regional Dressage Championship program organized by the United States Dressage Federation (USDF), and recognized by the United States Equestrian Federation, Inc. (USEF), will be held in each of the nine USDF regions. In addition, Alaska and Hawaii may each hold state championships if an official request from a Group Member Organization (GMO) is received by April 1 of the prior year.

The 2014 Regional Championships will be sponsored by the Great American Insurance Group (Great American), as the title sponsor. The official title of the Regional Championships shall be:

GREAT AMERICAN INSURANCE GROUP/ UNITED STATES DRESSAGE FEDERATION REGION (#) DRESSAGE CHAMPIONSHIPS

licensed by United States Equestrian Federation, Inc.

A Regional Championship is a Level 4 Competition. In each region, USEF/USDF Regional Championship classes must be offered at each level through Grand Prix, in three divisions: open, adult amateur (AA), and junior/young rider (Jr/YR). FEI Junior Team Test and FEI Young Rider Team Test championship classes must also be offered. Freestyles at First, Second, Third, Fourth, Intermediate I, and Grand Prix levels must also be offered in the open division. If freestyle classes are combined, each championship level must be awarded separately.

Dates and locations of the 2014 Regional Championships will be available from USDF after June 1, 2013.

The official prize lists for all of the Championships will be available on the USDF website on a page called Regional Championship prize lists by no later than May 1st.

For the remainder of this document USEF/USDF championship classes will be considered the same as Great American/USDF championship classes.

A. MEMBERSHIP/REGISTRATION REQUIREMENTS FOR QUALIFYING AND CHAMPIONSHIPS

Rider:

- Must have a USDF Participating* Membership (PM) at the time qualifying scores are earned and at the time of the championships.
- Must have a USEF membership (Junior Active, Senior Active, or Life) at the time the qualifying scores are earned and at the time of the championships.

Horse:

- Must have a USDF Lifetime Horse Registration (LHR) at the time qualifying scores are earned and at the time of the championships.
- Must have a USEF (Annual or Lifetime) Membership recorded at the time qualifying scores are earned and at the time of the championships.
- USDF horse registration and USEF horse/recording must be in the name(s) of the current owner(s) or lessee(s) of record.
- A horse is not required to have breed registry papers.

Owner:

- Must have a USDF membership (PM* or Business Member (BM)) at the time the qualifying scores are earned and at the time of the championships.

- Must have a USEF membership (Junior Active, Senior Active, or Life) at the time qualifying scores are earned and at the time of the championships.

* PMs are USDF members who join USDF directly. USDF Group Members (GM) are ineligible.

B. QUALIFYING CLASS AND CHAMPIONSHIP ELIGIBILITY

1. Horse/rider combinations which have won a USEF/USDF Regional Championship may no longer compete in a USEF/USDF Regional Championship competition, in that division, at that or a lower level (Grand Prix Level excepted) if they received the minimum qualifying score or higher for that division and level in the championship test per USEF DR127.5.
2. A horse may not be entered in more than one USEF/USDF Regional Championship at a particular level in the same calendar year.
3. USDF will presume qualified horse/rider combinations will compete in the region in which the rider resides as determined by the address associated with the rider's membership information on file as of July 1. Riders are NOT required to be a resident of the region to compete in that region's championship. Riders, who wish to compete at Regional Championships in a region other than their region of residence, must submit a Change of Region Form, at no cost if done prior to July 1. Change of Region Forms may be accepted from July 2 up to August 1, with a late fee of \$100; from August 2, up to the closing date of the championship region the rider is declaring for, with a late fee of \$300. No changes to region may be made after the closing date of the region in which a rider wishes to enter, for any reason. In addition, all persons living outside of the United States must declare a region by the deadline of July 1 of the current competition year.
4. A rider may not compete in more than one Regional Championship competition in the same calendar year.
5. In the event a competitor is unable to produce copies of the USDF membership or lifetime horse registration documents required to enter a qualifying class, a USDF membership/ registration affidavit with appropriate fee may be completed and filed with the competition secretary. The affidavit and appropriate fee must be submitted to USDF by the competition secretary with the competition results. Copies of the required memberships and registrations MUST be included with championship entry. Affidavits will not be accepted for USEF or USDF membership or horse recording verification purposes for entry in championship classes.
6. USDF Dressage Seat Medal Semi-Finals: All junior riders through age 18 who have qualified at any level for the Regional Championships (excluding freestyle) are automatically eligible to compete in the Semi-Final classes of the USEF/USDF Dressage Seat Medal Program. Additionally, any rider that earns a score of 70% or higher during the DSM qualifying period from August 1 through July 30 will be qualified to participate in the USDF Dressage Seat Medal Semi-Finals. One Semi-Final class will be offered for juniors, ages 13 and under, and a second Semi-Final class for riders 14 through 18 at each Great American/USDF Regional Championship. A regional champion and reserve champion for each age group will be named in each USDF region. For more details on this program and the Semi-Finals, see the USEF Rule Book, DR133 or visit the dressage page of the USEF website at www.usef.org.
7. Horses must be entered in qualifying and championship classes under their official recorded names and ownership as specified in USEF GR1102.3, and transfers of ownership or lease registrations must be completed in compliance with USEF rules GR1105 and GR1108 prior to the competition in order for the horse to compete under the name of the new owner or lessee. (USEF DR127.2)

2014 Great American Insurance Group/USDF Regional Dressage Championships Rules

C. QUALIFYING SYSTEM

1. There is currently one qualifying system with nationally-standardized minimum percentages (see Section D for qualifying percentages).
2. Prior to competing in a Great American/USDF qualifying class, a horse/ rider combination must be eligible according to the USDF/USEF membership and registration requirements for qualifying.
3. To qualify for a Regional Championship, horse/rider combinations must earn a total of two qualifying scores (each score must be the average of all judges officiating in a designated Great American/USDF qualifying class), at two different USEF/USDF-recognized Dressage Competitions, from two different judges, or combination of judges. In addition, the same judge may not have officiated in classes from which qualifying scores are earned, unless the following conditions are met: A panel of judges will be considered as a different judging entity if 50 percent or more of that panel is changed (e.g. a panel of two judges must have one new person, a panel of three judges must have two new people and a panel of five judges must have three new people).
4. To qualify, eligible riders must enter an official Great American/USDF qualifying class at a USEF/USDF-recognized Dressage Competition. The Great American/USDF qualifying class will be the highest or single test of the level and the class must be designated as Great American/USDF qualifying in the prize list.
5. Competitions lasting one or multiple days may offer one qualifying class per level per division per day. However, any test, if offered on a particular day as qualifying, may not be offered as qualifying in a Test of Choice (TOC) class on the same day.
6. Eligible competitors must be given the option to enter the class as "USDF qualifying" for a maximum additional fee of \$10 which must be paid to the show secretary prior to riding in the class and is not refundable.
7. Horse/rider combinations may enter only one qualifying test, and one qualifying Freestyle, at each level per day as Great American/USDF qualifying. (USEF DR 127.4)
8. USEF/USDF qualifying and/or championship classes must be designated as such in the prize list and the results. (USEF DR127.4). The \$10 qualifying fee, which is non-refundable, will be sent to the USDF from the show secretary along with the Report of Fees. All qualifying rides must be marked as such in the results. USDF does not refund USDF Regional Championships qualifying fees to competitors for any reason.
9. Separate ribbons or trophies are not awarded for Great American/USDF qualifying entries.
10. Any and all eligible horse/rider combinations who achieve the minimum qualifying score in a Great American/USDF qualifying class will receive one qualifying score toward their two score requirement to be eligible to enter a Regional Championship if all other conditions are met.
11. To qualify at freestyle, riders must earn a total of two freestyle qualifying scores at the level at which they wish to qualify, earned in designated Great American/USDF qualifying classes, at two different USEF/USDF-recognized Dressage Competitions from two different judges or combinations of judges as described in Section C.3.
12. FEI classes at CDI/CDI-Y/CDI-J/CDI-P or USEF High Performance qualifying competitions must be designated as Great American/USDF qualifying in the prize list in order for classes to be counted as qualifying by USDF. Prior to riding in the class, riders must pay the qualifying class fee to the competition secretary.
13. USDF will presume qualified horse/rider combinations will compete in the region in which the rider resides as determined by the address associated with the rider's membership information on file as of July 1. Riders are NOT required to be a resident of the region to compete in that region's championship. Riders, who wish to compete at Regional Championships in a region other than their region of residence, must submit a Change of Region Form, at no cost if done prior to July 1. Change of Region Forms may be accepted from July 2 up to August 1, with a late fee of \$100; from August 2, up to the closing date of the championship region the rider is declaring for, with a late fee of \$300. No changes to region may be made after the closing date of the region in which a rider wishes to enter, for any reason. In addition, all persons living outside of the United States must declare a region by the deadline of July 1 of the current competition year.
14. There is no limit on the number of horses on which a rider may qualify.
15. Qualification is based on horse/rider combination. If a new rider wishes to compete with the horse at the championships, he must requalify. (USEF DR127.8)
16. Automatic invitations shall be extended to the top twelve placed competitors who are U.S. citizens, in the NAYRC and NAJC final team and individual classes. Invitations shall also be extended to the top twelve horse/rider combinations invited to, in addition to those horse/rider combinations that competed at, the USEF High Performance National Championships at Grand Prix and Intermediate I, and to the top twelve horse/rider combinations ranked from the USEF National Junior, Young Rider and Young Adult Ranking lists. However, these invitations exclude Regional Championship freestyle classes for invitees from the USEF National Junior, Young Rider and Young Adult Ranking lists. These invitations cannot be transferred or applied to other horse/rider combinations, classes, or divisions. Riders receiving an automatic invitation are responsible for entering the Regional Championships by the closing date, and may change their region designation, provided that they do so in writing to the USDF office so prior to the closing date of entries. (See C13)
17. Competitors obtaining qualifying scores after the official closing date (see Section C.20) must either enter the championship class(es) before the closing date OR submit a post entry to compete in the championship classes, if post entries are allowed in the prize list of the competition.
18. One whip no longer than 47.2 inches (120 cm), including lash may be carried in all qualifying classes (including NAYRC and NAJC) unless such use is otherwise prohibited by FEI or Federation rules or selection procedures for the classes. (USEF DR120.7) An adjustable-length whip may not be carried by a mounted rider.
19. Tests may be read in qualifying classes except in FEI level classes and freestyle classes.
20. Qualifying seasons vary for each region. The season during which scores may be earned to qualify for a particular Regional Championship starts the day after the closing date of that region's 2013 championship, and ends on the closing date of that region's 2014 championship. Horse/rider combinations may earn qualifying scores in another region but only at shows within the current qualifying year of the region in which that show is held.
21. The closing date of each Regional Championship will be the fourth Monday prior to the start of the Regional Championship competition. Competitions will count for only one calendar year's championship. The qualifying year of each competition is based upon the location of where that show is held, not the region the rider wishes to compete in.
22. USDF will maintain a database of qualified horse/rider combinations and will post a provisional list for each level and division on the USDF website. USDF will verify eligibility of championship class entries with the championship's secretary prior to each championship's competition.

D. MINIMUM QUALIFYING SCORES

Further, any horse entered in a championship competition, even entered at two levels, must be ridden by the same rider throughout competition. (USEF DR127.6) (NOTE: This applies throughout the entire competition, even after a horse has completed its championship classes.)
- In the event of a tie (equality of total points) for champion and/or reserve champion in USEF/USDF championship classes, the collective marks will determine first, second, and/or third or all three places; (i.e. when a tie for first place is broken by collective marks, tied competitors will receive first and second places, etc.). If collective marks are equal, the tie will remain unbroken (i.e. two first places will be awarded next third place, etc.). Ties (equality of total points) after second place will be broken by collective marks. Ties (equality of total points and collective marks) occurring in third through eighth places will remain unbroken. In the case of a tie (equality of total points and collective marks) for champion, prize money designated for champion and reserve champion will be combined and divided equally between the two competitors.
- Hors de Concours entries are not permitted in USEF/USDF championship classes. (USEF DR119.5)

In lieu of a champion and/or reserve neck sash, a first and/or second place ribbon will be awarded.
- In USEF/USDF championship classes, a steward must be appointed to check the saddlery, bits and spurs, on both sides of each horse immediately after it has completed its test and has left the arena. Any discrepancy to the saddlery rules will result in immediate elimination. (USEF DR126.1.i.6)

This applies only to the primary competition TD, who is the person responsible for filing the TD report for the competition with USEF. (See Section H.3. c, and USEF GR1018.3 and DR127.3)
- Entries in USEF/USDF dressage championship classes are limited to competitors who have met the qualifications, membership, horse recording and registration requirements, and deadlines outlined in USEF DR127 and published by USDF. Competitors who are properly qualified, whose completed entries are received by the closing date for a particular Regional Championship, and who have complied with all championship rules may not be denied entry into the Regional Championship classes for which they have qualified. Only one class per division and/or level may be held to determine USEF/USDF regional champions. (USEF GR 915.2)
- USEF/USDF championships classes may not be split. (USEF DR126.1a.4)

4. Awards ceremonies must be scheduled for each championship class.

7. Riders placing in Great American/USDF Regional Championship classes must be present, mounted and in full riding attire for awards ceremonies. Riders must be in full riding attire.
8. Specific requirements and penalties for failure to participate in prize-giving ceremonies must be announced in the prize list. It is recommended that saddlery for ceremonies be the same as in the competition, but that black or white leg bandages are allowed. Rosettes should be placed on the horses' bridles prior to the ceremony. The judge at "C" should be invited to participate in the prize-giving. Competition management is responsible for the safe conduct of ceremonies and must excuse any horse that threatens the safety of participants. (USEF DR123.12)
9. Except in the case of an emergency requests to be excused from the awards ceremony must occur one hour before the scheduled ceremony. These requests must be made to the Awards Coordinator whom must confer with the USDF Representative, the Competition Manager, and the Technical Delegate in the decision-making process.
10. Date applications may not use the name or title of a championship that has not been assigned to that licensed competition for the competition year named in the application. The fees are waived when a competition changes its name to include the title of a regional or national championship or when the name reverts back to its original name. Using the name or title of a championship that has not been assigned to that licensed competition during the same competition year is a violation of USEF rules. (USEF GR309.13 and GR706.1.p)
11. Copies of documents submitted by competitors to verify USEF and USDF membership and horse recording must be available to the TD in the competition office. (USEF DR127.2)
